Wayne Martin—Head Basketball Coach

Few collegiate coaches can claim higher successfulness in their efforts to rebuild a basketball program than Wayne Martin.

Martin joined the Morehead State University athletic staff in 1978, inheriting a program which finished 4-19 prior to his appointment as the Eagles' eighth head basketball coach.

He produced a 14-13 winning mark in his initial season at his alma mater, boosting his career victory total to 100 (46 losses) for an average of 20 wins in his first five collegiate seasons.

Last season Martin directed the Eagles to a 17-10 overall record, Morehead State's best mark in eight years. The Eagles also gained a spot in the conference post-season tournament for the third time in his four seasons with MSU and Martin was honored as Ohio Valley Conference Co-Coach of the Year.

Morehead State has ranked either first or second in offensive statistics in the OVC during his four seasons at the Eagle helm and the Eagles have had four all-conference selections during his tenure.

His eight-year collegiate coaching record stands at 143-83, including a 57-50 in the last four years at MSU.

Martin's association of sports and excellence began in his high school playing career at Clark County High School in Winchester, Ky.

Martin lettered three years in basketball and four seasons in golf for Clark County (now George Rogers Clark High School). He attained all-district and honorable mention all-state status twice and was an All-Mid-State Conference and all-region selection one year in basketball. He captained the squad his final two years.

Clark County won three district basketball championships, finishing as runner-up in the region Martin's junior year. Clark County advanced to the Sweet 16 of the Kentucky State Tournament his senior season.

Martin also served as captain of his golf squad at Clark County and was a three-time all-conference selection. He led the Kentucky State High School Tournament after the opening round in 1963 and finished among the top ten.

Martin signed with Morehead State, earning four letters in golf, one varsity letter in basketball and one freshman letter in basketball. He once held the MSU school record of 66 for 18 holes with the Eagle golf team. He averaged 15.0 points per game as a freshman for

the Eagle basketball squad.

As a junior at Morehead State, Martin served as assistant basketball coach at University Breckinridge High School. He continued in that capacity with Breck until earning his B.A. degree from Morehead State in 1968.

Martin's success as an assistant with Breckinridge helped him land the top coaching position at Pikeville (Ky.) High School. He took over the reins of a program which had produced a 4-21 record prior to his appointment.

He promptly crafted Pikeville into a successful unit, directing the school to four district championships and two regional runner-up slots. He compiled an 82-56 record with Pikeville.

Martin next ventured into the collegiate ranks at Pikeville College, hoping to rebuild a team which finished 7-17 before he joined the NAIA school.

Again Martin rebuilt a sagging basketball program, guiding the Pikeville Bears to an 86-33 record in four seasons, including three consecutive Kentucky Intercollegiate Athletic Conference titles and appearances in the NAIA national tournament. He was honored as Coach of the Year twice in the KIAC.

Martin spent one season at Oral Roberts University, where he served on the staff of former MSU assistant coach Lake Kelly prior to his appointment with the Eagles.

Eagle Assistant Coaches

Ken Trivette

Assistant Coach

Ken Trivette begins his fifth season at Morehead State University as an assistant coach. His past coaching experience includes three seasons as head coach at Cumberland College in Williamsburg, Ky., two seasons as graduate assistant coach at the University of Kentucky, and one season as an assistant coach at Wayne County High School.

Trivette compiled a record of 50-42 in his three seasons at Cumberland College. His 1977-78 team was 27-10 and made that school's first appearance ever in the NAIA national tournament.

That Cumberland College team defeated powerful Kentucky State University before losing to eventual national champion Grand Canyon College.

A graduate of Pikeville College, Trivette coached one season at Wayne County High School before taking the graduate assistant position on Joe B. Hall's staff at Kentucky.

As a basketball coach, Trivette is carrying on a family tradition. His father, John Bill Trivette, produced many excellent teams as head coach at Pikeville High School.

Trivette has an impressive background as a player. He was team captain in three sports — basketball, baseball, and football — at Pikeville High School. He earned all-state honors in basketball and football.

Trivette, 33, is married to the former Candy Huffman. They have two children, Ann, 13, and Steve, 8.

Randy McCoy

Assistant Coach

Randy McCoy continues his long association with Morehead State University head coach Wayne Martin this season. An assistant coach at MSU during Martin's four years, McCoy was also an assistant to Martin at Pikeville College.

McCoy, a native of Elkhorn City, was a student assistant for two years and a full-time assistant one year at Pikeville. He received his undergraduate degree from Pikeville College in 1977 and his master's degree from MSU in 1981.

A member of the National Association of Basketball Coaches, McCoy is active as an instructor in summer basketball clinics at MSU and in Pike County. For the past two summers, he has conducted a clinic at Elkhorn City, with the help of Elkhorn City High School basketball coach Jimmy Kerr.

While he is involved with all aspects of the Eagle basketball program McCoy's primary responsibilities are scouting, recruiting, and player relations.

McCoy gives coach Martin much credit for helping him develop his coaching philosophy. McCoy began working with Martin as a freshman at Pikeville College.

McCoy coached the junior varsity team at Pikeville College to a 12-1 record, losing only to coach Ken Trivette's team at Cumberland College.

McCoy, 27, is a 1973 graduate of Elkhorn City High School. He is married to the former Cherri Brickey.

Jack Upchurch

Part-time Assistant Coach

Jack Upchurch, who had a distinguished career as a high school coach in Kentucky, begins his second season as a part-time assistant coach in the Morehead State University basketball program.

Upchurch, who now teaches business and health and physical education at Russell (Ky.) High School, spent 16 years in the high school coaching ranks. He spent six years at Anderson County High School, five years at Wayne County High School, and five years at Russell High School. He also coached a military team in Hawaii for three years.

His greatest achievement as a coach came in the 1970-71 season, when he guided Anderson County to the final game of the state tournament. Upchurch was named state Coach of the Year by the Lexington Herald, the Louisville Courier-Journal, and the Kentucky High School Athletic Association after leading Anderson County to a 30-3 season.

He scored more than 2,500 points in his high school career and was named all-district four years.

He played guard and forward for three years at Eastern Kentucky University, earning All-Ohio Valley Conference honors one season. Upchurch's playing experience also includes two years on an All-Army team.

Upchurch, who holds bachelor's and master's degrees from Eastern Kentucky, is working on a Rank I degree at Morehead State.

The 44-year-old Upchurch is married to the former Ann Parker of Danville, Ky.

Ohio Valley Conference

The idea of forming the Ohio Valley Conference was originated in 1941, but could not be implemented until after World War II. In 1948 five schools — Morehead, State, Murray State, Western Kentucky, Eastern Kentucky and Louisville — withdrew from the Kentucky Intercollegiate Athletic Conference and were joined by Evansville in forming the original membership of the OVC. They were joined shortly thereafter by Tennessee Tech and Marshall.

The membership has changed somewhat over the years. Middle Tennessee joined the league in 1952, East Tennessee in 1957 and Austin Peay in 1962. The trio of schools replaced Louisville, which became an independent in 1949, and Marshall and Evansville, which departed in 1952.

East Tennessee withdrew in 1978, making room for Akron and Youngstown State. Western Kentucky left the league in 1982.

In 1955 the National Collegiate Athletic Association formally recognized the OVC as a major basket-

ball conference, awarding the league champion an automatic bid to the NCAA post-season tournament. At that time, the OVC was only the second six-team conference to obtain major status from the NCAA.

For many years the OVC has been represented in the nation's top holiday and post-season basketball tournaments. The league has also won recognition for its football program, placing representatives in a number of post-season bowl games. The OVC has achieved national recognition in NCAA

Division I-AA football with a national championship and two runner-up positions in the four years of its existence.

OVC champions have also been prominent on the national scene in baseball riflery, tennis, track, golf and cross country.

James Delany, former NCAA investigator and graduate of North Carolina, operates as commissioner of the OVC. He is the OVC's fourth commissioner, following Art Guepe (1963-75), Paul Dietzel (1975-76) and Bob Vanatta (1976-79).

Mickey Wells—Women's Basketball Coach

Morehead State University Lady Eagle Basketball Coach Robert M. (Mickey) Wells continues to add to his list of accomplishments and honors. Wells guided the Lady Eagles to a 20-9 record last season and received his second Ohio Valley Conference Coach of the Year Award.

Wells, who took over as Lady Eagle head coach in 1975, has since transformed the MSU program into a perennial winner. His seven seasons as Lady Eagle coach have produced three 20-win seasons and a total record of 128-67.

The Lady Eagles have won two Kentucky state championships, one Ohio Valley Conference championship, an OVC Tournament title, two Cincinnati Classic titles, the 1980 Lady Eagle Tournament championship, and the 1981 East Tennessee Tournament championship. Also, two of Wells's teams participated in the AIAW Regional Tournament.

Wells's individual accomplishments are just as numerous. He won OVC and state Coach of the Year honors following the 1978-79 season in which the Lady Eagles were 28-4. He also received the Kellogg's Coach of the Year Award, a national award, in 1977.

Wells is a frequent lecturer and instructor at basketball camps. He has conducted his own camp for high school girls' teams the past six summers. He has been a guest lecturer at the Rick Bolus Coaching Clinic and the Clem Haskins Coaching Clinic, among others.

The Wells success story isn't limited to the Lady Eagle basketball program. The director of intramural sports at MSU since 1965, Wells has seen that program grow during his tenure. In his first year as full-time director of intramurals, about 2,000 students participated in the program. Now the number has grown to nearly 6,000. The number of activities offered in the program has grown from 10 to 46.

A 41-year-old native of Manchester, Ohio, Wells participated in sports on the high school and college levels. He was an all-state basketball player and an all-region track athlete at Manchester High School.

He entered Miami University of Ohio on a basketball scholarship in 1959, but transferred to MSU after one semester. He played another season

of basketball and four years of track at MSU. Wells placed second in both the high jump and long jump in the OVC meet as a senior. He held school records in both events for six years.

Wells is a two-time graduate of MSU, earning a bachelor's degree in 1964 and a master's degree in 1966. A former member of the MSU faculty, Wells has completed 31 hours beyond his master's degree.

He is married to the former Doris Ann Chandler, also of Manchester, Ohio. They have two children: Michele, 14, and Kelly, 12.

Morehead State University

Quality is the byword of Morehead State University as the institution begins its seventh decade of service. Founded in 1922 as a teacher's college, MSU became a university in 1966.

Nestled in the foothills of the Daniel Boone National Forest, Morehead State provides a learning and living environment for nearly 7,000 students and 900 faculty and staff members. The University's 500-acre campus features a 50-structure skyline dominated by the two tallest occupied structures in Eastern Kentucky, 19-story Cartmell Hall and 16-story Mignon Tower.

The University's six academic schools offer 145 programs of study from an associate degree to a joint doctoral program. Applied Sciences and Technology, Business and Economics, Education, Humanities, Sciences and Mathematics and Social Sciences comprise the academic schools.

Academic-Athletic Center

Tradition — a winning tradition — is the best way to describe the home-court success attained in Wetherby Gymnasium, the former home of the basketball Eagles. There, in the small 5,000-seat arena, Morehead State basketball posted an impressive .761 winning percentage over 25 seasons, falling below the .500 mark in only two campaigns.

Morehead State basketball has now embarked upon a new tradition, maintaining the elements of successful basketball combined with the beauty of a new facility, for its new home — Morehead State University's Academic-Athletic Center.

Erected at a cost of \$7,035,000, the new structure has seen the Eagles initiate the basketball success deserving of MSU's fresh surroundings.

Morehead State won 13 of its 14 home contests in the arena's inaugural season, losing only to Middle Tennessee in the Eagles' third home game. The Lady Eagles also won nine of their 11 home encounters.

An estimated 50,500 spectators viewed the Eagles in 14 home games during the 1981-82 season, an average of over 3,600 per game. Eastern Kentucky provided the opposition for the largest single crowd, an estimated 6,500 on Jan. 23, 1982.

The square-shaped building was the result of over four years of careful planning. Preliminary planning, which originally called for the renovation of Wetherby Gymnasium, began in 1975.

Ground was broken for the new structure in the spring of 1978. It was opened for occupancy by the athletic staff on June 1, 1981.

The first university function held in the Academic-Athletic Center was spring commencement on May 9, 1981. The 7,000-seat arena has hosted concert performances by the Gatlin Brothers, the Spinners, Jefferson Starship, Alabama and David Letterman in its brief existence.

It was also the site of the district and regional boys and girls high school basketball tournaments in 1982.

The main arena seats 7,000 spectators and additional seating can be added for concerts and other speaking engagements. A hydraulic stage, located at the east end of the arena, can be raised up to six feet above floor level for simple conversion from a

basketball floor to an auditorium platform.

Ten sections of the arena are fixed with blue chairback seating, two sections with gold cushioned chairback seats and the remaining seating is in bleacher form.

The AAC houses offices of all of the athletic staff members with the exception of football, baseball and soccer.

Also located in the complex is a weight training facility for basketball, a gymnastics room, a physiology laboratory, a VIP room for entertaining guests, sauna and steam rooms, four

concession areas and a number of storage areas.

Also a part of the AAC structure is an L-shaped swimming pool and diving area. The aquatic facility, which cost approximately \$1.5 million of the total \$7 million complex, has seating for 300 spectators.

In addition, deep under the floor, there is an underwater viewing area for instructors to watch students' swimming and diving styles through portholes in the side of the pool. An underwater speaker system is also available to instructors to recognize errors in style.

AAC Information

REST ROOMS are conveniently located throughout the Academic-Athletic Center.

PLEASE RETAIN TICKET STUBS designating section and seat numbers if you leave your seat at any time.

REFRESHMENTS are available from concession stands located at the south east and west ends of the AAC.

ALCOHOLIC BEVERAGES are prohibited in the Academic-Athletic Center. Violators will be asked to vacate the arena.

ANNOUNCEMENTS made over the public address system are intended primarily for spectator's information

concerning the game. No social contacts will be made over the public address system. Organizations with announcements must have their message approved by the sports information office (Room 154 of the ACC, 783-2500) well in advance of the game.

PUBLIC TELEPHONES are located at the south end of the AAC.

EMERGENCY CALLS: Doctors and others expecting emergency calls should leave their name and seat location at the ticket window or notify the sports information office. Emergency calls may be received during the game at 783-2500.

Go Eagles.
